Hotel Director: Donato Becce / Cruise Director: Ryan Fitzgerald

Sunrise 6:06am / Sunset 6:58pm

Carnival Cruise Lines is proud to be at the forefront of Safety and Environmental Protection. You will never see any crew member throw anything overboard, and to help to continue to protect your oceans and seas, we ask guests to also refrain from doing so. You must never throw a lit cigarette overboard, or flick hot ash overboard as this could blow back into the ship and start a fire.

Remember you are on a moving ship so please take extra precautions. Use handrails and watch your step and please refrain from running on board as not to cause unnecessary injury to yourself or others. Thank you. Ships Command

Always keep your watches on ship's time.
