

Every Carnival ship has self service laundry facilities (see list in OTHER AREAS file). In addition they offer a valet laundry service that is handled through the cabin steward. Regardless of service type (same or next day) items must be given to the steward by 9AM. Same day will be returned by 5PM. There is a 50% additional fee for same day service. Next day service will be returned by 5PM the next day.

Item	Men			Woman
